**UNIVERSITY OF MEDICINE
AND HEALTH SCIENCES**

NEW STUDENT WELCOME PACKET

CONGRATULATIONS!

Welcome to the University of Medicine and Health Sciences, St. Kitts (UMHS)!

We commend you for your academic and personal accomplishments and, with great excitement, look forward to welcoming you to our student body. As you begin planning for your enrollment and travel to St. Kitts, please know that our goal is to ensure a process which is as smooth as possible for you. With that in mind, please make note of the following information.

It is important, during the coming weeks/months, that you work through the various steps outlined in this New Student Welcome Packet. If you are entering semesters 1-4 or beginning ARP then between today and the day of your arrival in St. Kitts, you will need to book your flight, review housing options, and complete the requirements for obtaining a St. Kitts student visa.

If you plan on attending ARP Classes Online, please send an email to the Post Acceptance Director to inform her of your decision.

At any time, if we can provide further information, please do not hesitate to contact us. **Ms. Nelly Alvarez**, *Post Acceptance Director* (whose role is to guide new students as they prepare to enter UMHS), is your main point of contact for all enrollment-related questions. She may be reached at **646-248-1766** or via email at nalvarez@umhs-sk.net.

Once again we are pleased to offer our congratulations on earning an opportunity at UMHS. We look forward to seeing you on campus.

Sincerely,

UMHS Admissions Team

Email: tom.backer@protravelinc.com

The St. Kitts airport code is **SKB**.

If you are a non-US resident, please be advised that the United States has visa restrictions which do not allow individuals without a US visa to fly into a US airport. In these cases, you may need to work closely with UMHS staff to ensure that you have all the required documents.

Each airline has their own policy and restrictions in regards to check-in and carry-on luggage. Be sure to check directly with the airline to learn their rules and regulations for checked luggage. It is recommended that you travel with a carry-on bag containing enough clothing, toiletries, and other necessities to last 2-3 days.

Once you arrive in St. Kitts, you will proceed through Customs. Students attending UMHS are required to show the following at the time of arrival and you must carry these items with you when you travel:

- 1) Printed copy of the UMHS Acceptance Letter
- 2) Printed confirmation of a return flight
- 3) Passport valid for your entire stay in St. Kitts (*if you do not currently hold a valid passport, please apply for one as soon as possible*)
- 4) Online Immigration Form

After showing these items to the immigration officer, you will be permitted to enter St. Kitts.

ST. KITTS TRAVEL REQUIREMENTS

Any individual who resides in St. Kitts for more than 30 days must obtain a visa. The information regarding the visa requirements can be found on your accepted student link. BANKING IN ST. KITTS

If you choose to open a bank account in St Kitts you will be required to submit a letter confirming you are a student and a letter from your current bank stating you are in good standing. The Office of the Registrar will provide an enrollment letter on campus once you are enrolled student, but you should obtain a letter from your bank before traveling to St. Kitts.

Before arriving on St. Kitts, you should contact your credit card company and bank to inform them you will be traveling internationally.

HOUSING INFORMATION

Housing arrangements must be secured prior to your arrival on St. Kitts. The UMHS Housing Office works with students to assist with finding comfortable and safe living arrangements by maintaining a database of available, prescreened, apartments that meet the needs of a medical student.

Approximately 90 days before the start of each semester, you will be emailed the information necessary to access the UMHS Housing Database. Once received, students can log-in and begin reviewing the available units. Long term hotel rentals will not be listed in the database. If you plan to secure housing with the Royal St. Kitts Hotel, Marriott Residency, or St Christopher's Club, you must contact them directly to secure housing.

The average individual rent ranges between \$600 and \$2000 per month depending on where you live and the amenities available.

STUDENT FINANCIAL SERVICES

SALLIE MAE PRIVATE LOAN PROGRAM

The decision to attend medical school holds not only academic but also financial considerations for students and their families. If you are a US citizens and residents you may be eligible for the Sallie Mae Loan. This private educational loan program can lend up to the full cost of attendance for each loan period. The Office of Financial Aid will email specific details about the Sallie Mae Loan, if you are eligible. Please do not apply for loan prior to receiving directions from the Office of Financial Aid.

If you have specific financial aid questions regardless of your citizenship, please contact, Director of Financial Aid, **Elissa Schoening** email: eschoening@umhs-sk.net or phone: (866) 686-0380 ext. 320.

SCHOLARSHIPS

UMHS offers a merit based scholarship program. Awards are determined by the strength of the student's academic achievements as recorded on their application for admission. Scholarship amounts may vary and are awarded on a semester basis. As long as the student makes satisfactory progress through the academic program, the scholarship continues throughout the student's basic science curriculum. All accepted students are automatically considered for scholarships and no additional application is required.

NOT ELIGIBLE DURING THE ARP TERM

VETERANS BENEFITS

UMHS is approved by the Department of Veterans Affairs (VA), enabling eligible veterans, service persons, and certain dependents of veterans to receive VA educational benefits. Eligible persons may receive benefits under one of several types of GI Bill. Newly accepted students that may qualify for these benefits should visit the VA website and fill out the online application. Once approved, you will receive a Certificate of Eligibility, a copy of which will be required by the UMHS Office of the Registrar. Benefits vary by program, so it is important to visit the VA website for all relevant details.

NOT ELIGIBLE DURING THE ARP TERM

CANADIAN STUDENT LOANS

Canadian students may be eligible for loans in the province of residence. For example, Ontario residents are eligible for an Ontario Student Assistance Program (OSAP) loan. Canadian students may apply for up to 52 weeks of financial assistance annually. For further details, please contact Financial Aid Department at finaid@umhs-sk.net

NOT ELIGIBLE DURING THE ARP TERM

OFFICE OF BURSAR

The Office of the Bursar will provide a tuition statement approximately 1 month in advance of the start of the semester. Tuition payment is generally due two weeks prior to the first day of your semester. Tuition, School Fees and Payment Options are listed on the following pages. It is the student's responsibility to ensure that payment is received in the Bursar's office by the established due dates announced each semester or as indicated on the statement.

HEALTH INSURANCE

All students are required to have health insurance. Students are automatically enrolled in the University's Student Injury and Sickness Insurance Plan unless they have provided proof of a comparable insurance coverage plan to the Bursar's Office.

All students, regardless of their health insurance plan, are required to be enrolled in the Medical Evacuation Plan while attending classes in St. Kitts. This **cannot** be waived and the fee will be included in your tuition bill.

ARP Online students do not need to be enrolled in the Medical Evacuation Plan.

Tuition & Fees - Financial Obligations

By enrolling in classes at the University of Medicine and Health Sciences (UMHS), a student agrees to pay the tuition and fees associated with that enrollment. Tuition is assessed based on student classification, program of study, and the **number of credits** for which a student is registered.

A. Tuition and fees are billed prior to the start of each semester based on full-time tuition rates or as charges are incurred. (Please visit: www.umhs-sk.org/tuition-and-fees for tuition rates.) Adjustments to tuition will be made to any official registration that falls below the full-time tuition credit range upon confirmation from the Registrar's department. Students failing any course in any semester will be required to repeat that course and will be charged in accordance with the tuition and fees schedule.

B. Payment, evidence of sufficient financial aid, or an approved payment plan is required in order to register.

C. Statements are sent electronically via the student's UMHS email account. It is a student's responsibility to check the University student email account regularly, read all University correspondence, and respond promptly where required. It is the student's responsibility to contact the Bursar's department if a statement has not been received for the semester.

D. Payments not made according to schedule are subject to late fees and may result in the cancellation of the student's registration. An administrative or voluntary withdrawal does not relieve the student of the financial responsibility of all debts, including tuition, fees, and other charges that may have incurred for the semester. This is consistent with other applicable policies and regulations documented in the University of Medicine and Health Sciences student handbook.

E. The University reserves the right to withhold services when obligations are not met. This includes but is not limited to the release of transcripts, diplomas, registration, etc. In the event that a diploma, certificate, or transcript is withheld because of a balance, students may be required to use a certified check, money order, or cash to release any of the aforementioned documents. The enforcement of this policy shall not relieve the student of the obligation to pay any outstanding fees and charges. Students with outstanding balances are not permitted to hold office in any university-affiliated organization, including the Student Government Association.

F. A hold will be placed on the student's account for any unpaid balances. This hold will prevent registration, scheduling of rotations, transcripts, and other University services. **Holds prevent the release of transcript, dean's letter, and/or diploma regardless of payment plan and/or financial aid status.** A hold may also result in the cancellation of scheduled courses or rotations. Payments not made according to schedule are also subject to late fees.

G. Students are responsible for financial planning, communication, and follow-up. It is the student's responsibility to ensure that payment is received in the Bursar's office by the established due dates announced each semester or as indicated on the statement. This includes any portion of tuition not covered by Sallie Mae Private Loan, an approved institutional loan, or VA tuition benefits.

Questions regarding tuition and fees (payments, returned checks, late fees, refunds, etc.) should be directed to the UMHS Bursar's office in New York (email: Bursar@umhs-sk.net). **Failure to attend class, receive a bill, receive or accept financial aid does not relieve the student from financial obligations.**

University of Medicine and Health Sciences requires that all students, including those in the clinical semesters/rotations, have health insurance coverage while enrolled at the University. **This includes Clinical students on approved leaves of absence, vacation, temporary withdrawals, and while preparing for, and taking, the USMLE Step 1 Exam.** For those students in St. Kitts, enrollment in a medical evacuation plan is mandatory. If applicable, enrollment in this plan(s) is automatic at the time of registration and the cost will be automatically charged to your account at the start of each term. However, Students already covered by adequate health insurance can opt to waive the health insurance requirement provided they submit an approved insurance waiver. Enrollment in a medical evacuation plan is mandatory while in St. Kitts regardless of health insurance coverage and cannot be waived.

Information on the policies, procedures, and coverage limits of this health insurance coverage is available by visiting <https://members.omhc.com/interhannover/> or upon request. Further information regarding claims and specific coverage can be obtained by contacting **Global Excel Management (HDI Global Specialty/ InterHannover) at 1-833-386-9240.** **Please contact the insurance company directly to discuss any specific questions or concerns regarding coverage of this policy.**

In order to waive the required health insurance coverage, **students must submit a completed waiver form (found below) and provide proof of coverage (copy of insurance card or letter from insurance carrier verifying active coverage) under an alternate plan.** It is required that alternative health insurance plans provide coverage and benefits comparable to the University sponsored plan. Insurance plans that restrict enrollment based on national origin such as those sold only to international students will not be accepted for waiver. Please note that you are expected to check with your insurance company to verify that your plan meets these requirements prior to waiving the University sponsored insurance.

The deadline to submit the health insurance waiver is **14 days from the start of the current insurance term or as designated by the University.** **Please note this date may differ from your semester start date.** This form must be sent to the Bursar's office (Bursar@umhs-sk.net) prior to the waiver deadline. Please be advised that waivers submitted to the Bursar's office after the waiver deadline will not become effective until the next insurance enrollment term. **Incomplete or late waivers will not be processed and you will be responsible for charges for that period.**

There are 3 insurance terms per year: Jan 1st - Dec 31st, May 1st - Apr 30th and Sept 1 - Dec 31st.

All waivers and waiver cancellations must be submitted on a timely basis at the start of the effective billing period or the insurance charges/waiver cancellations will remain in effect for that period. A waiver, once submitted, will remain in effect until the student officially cancels it. Students that have filed waivers with the University do not need to submit a new waiver every term unless there is a change.

Insurance Waiver Request: (Please detach and send completed waiver form and proof form to: Bursar@umhs-sk.net.)

****If you waived insurance for the previous term, it is not necessary to resubmit a waiver unless your plan information has changed****
